

## Balancing Surface Cleaning with Convenience

Assessment Date:

Dry Conditions	Spic & Span® <small>Disinfecting All-Purpose Spray &amp; Glass Cleaner</small>	Kleenex Ultra Soft (a)	Kleenex w/40% recycle (b)	WypAll L40 (c)	WypAll Power Pocket X70 (d)
		Excellent absorbency and wet strength	Adds friction, versatility and value	Added Wet Strength	Best absorbency, wet strength – time savings
<b>Glass/Mirrors</b>	Use sparingly according to soil.	Mirrors ✓✓	✓		
<b>Plastics/Formica</b>	Safe on most all plastics.		✓		
<b>Metal / Stall Walls</b>	Non corrosive.		✓		
<b>Composites</b>	Safe on matrix resins, carbon and glass fibers.		✓		
<b>Tile</b>	For grout, allow disinfecting time before wiping.		✓	Tile ✓✓	
<b>High-Touch Surfaces (Door Handles/Knobs/Phones)</b>	Best for clean-as-you-go routines.		✓		
Wet Conditions	Comet® <small>Disinfectant Cleaner with Bleach</small>	Kleenex Ultra Soft (a)	Kleenex w/40% recycle (b)	WypAll L40 (c)	WypAll Power Pocket X70 (d)
<b>Porcelain/Handsinks</b>	Spray entire surface. Let stand according to soil level. Wipe.		✓		
<b>Toilets (e)</b>	Kills Norovirus.		✓		
<b>Toilet Surfaces</b>	Spray paper to clean irregular surfaces.		✓		
<b>Chrome</b>	Spray lightly. Polish dry.		✓		
<b>Tile</b>	Safe and effective for tile and grouting.		✓		
<b>Shower Enclosures</b>	Spray all surfaces. Let sit according to soil. Brush where needed. Rinse off.		✓		Tile / Grout ✓✓
<b>High-Touch Surfaces (Faucets/Handles/Dispensers)</b>	Formulated for frequent use.		✓		

### Notes:

1. Quick streak-free cleaning without rinsing is the goal for each recommended combination.
2. Increasing time and friction raises performance. Scotch Brite 2000 (3M) is also an effective non-scratch power booster.
3. Kleenex w/ 40% recycle is a frequent choice for hand-drying and for SaniTwice.®
4. Both chemicals are registered EPA disinfectants. Both have proven effectiveness on norovirus.
5. ✓ indicates general use. ✓✓ denotes added performance for special situations.

(e) Use an acid-based cleaner to remove mineral-based soils as needed. Use Comet DC/B for daily cleaning.

Kimberly-Clark Codes for Pop-up Dispensers: (a) 11268; (b) 01701; (c) 11804; (d) 41455 — also available in rolls
